

Challenges!

1st Year 2019/20

WHAT?

1

These are events for 1st Year

They take place once a month. Details are emailed to all students a week or two before each challenge

They're a great way to meet new people and to have some new experiences

WHY?

2

To show that you can sign-up, take part, and complete challenges **FOR YOURSELF**

To build some great **MEMORIES** of 1st Year

To be **INTERESTING** (and to be able to say that you did lots of different things by the end of 1st Year)

HOW?

3

There'll be one Challenge each month from September to May

Check your school email & Sign-up for each of the events

It couldn't be easier to get involved. **DON'T** get to the end of the year and regret not joining in!

REMEMBER...

4

The year is about **BALANCE, VARIETY** and **TRYING NEW THINGS**

Have **LOTS** of experiences, mix with **LOADS** of people, **BE ROUNDED**

You can add all of these challenges to your Junior Certificate 'Profile of Achievement'
