Further Information

If you would like more information about our *Building on Success* development programme, or would like to discuss it directly with Ms Lorna Heslin and Mr Tim Kelleher, please contact Judith Hally on 01-2189421 or email judith.hally@stmc.ie to make arrangements.

Thank You

Thank you for supporting our *Building on Success* development programme. Your generosity will have a meaningful impact on the education of our current and future students. By working together, we will ensure that we can provide excellent facilities for your sons now and for future generations of St. Michael's College boys.

We look forward to working with you to bring our plans for your sons, to fruition.

What we are asking of you...

Proposed Junior School Entrance with Science Hub

Since our foundation, St. Michael's College has built a tradition of providing an excellent education for our students by continuously developing and enhancing our facilities and educational environment. This tradition is true to the Spiritan philosophy of education. Our vision is to provide the best education to our students to enable them grow and develop in the Christian faith to become the best young men they can be.

We have seen St. Michael's College develop from its beginnings in St. Michael's House in 1944, to the new buildings and sports fields we use today, thanks in part to the generosity of our community of parents, past pupils and friends who contributed over the years towards the development of our school. In 2014, we launched Phase 1 of our *Building on Success* development programme which was received with great enthusiasm and support. Thanks to the generosity of our community, we raised over €4 million which facilitated the enhancement to St. Michael's College's campus as you see it today.

In order to maintain our vision, we must continuously invest in the enhancement and development of our facilities in line with an ever changing modern environment. With this in mind, we are delighted to launch the next phase of *Building on Success*. This is an exciting and very ambitious programme which incorporates three major projects:

- 1) the development of a modern Junior School building,
- 2) the development of a state-of-the-art Senior School STEM building, and
- 3) the development of a new, stand-alone swimming pool facility.

The total cost of this development phase is €18 million. We are able to fund two thirds of this project however, to help complete this ambitious development programme, we need your help to raise the remaining €6 million over the next five years. The completion of this development is dependent on the speed with which we can raise the required funds.

Invitation to Give

As a private school, we receive no state funding for any capital development. Previous development programmes have been successfully delivered through generous donor support. In order to attain our mission of providing our boys with an exceptional education experience, we invite you to support us by contributing to the ongoing improvement of the educational facilities which your sons enjoy and from which they, and future generations of St. Michael's boys, will continue to benefit.

How can I help?

All contributions are appreciated and have an impact. We ask you to now take some time to consider this request for support and to help us as best you can.

Please fill out the "Letter of Intent" and "Standing Order" form attached and return it to St. Michael's College, Development Office, Ailesbury Road, Dublin 4. All information will be treated in the strictest of confidence and will comply with the GDPR requirements.

Tax Efficient Giving

We want to fund this next phase of our development as tax-efficiently as possible and can do this with your help. Significant tax-relief is available for the St. Michael's College *Building on Success* development programme. Under the Finance Act, 2013 your donation can be further enhanced by approximately 45%, simply by completing form CHY3 or CHY4 for those paying tax in the Republic of Ireland. The "Tax Relief on Donations" table overleaf explains how your donation can be further enhanced. All the monies raised go directly to funding our development projects.
