Students who damage lockers must pay for the cost of the repair or replacement. Damp and wet gear should not be left in lockers overnight and at the end of the school year each student should empty his locker and leave it open for inspection.

Students must deposit all litter in the appropriate bins provided.

Eating and drinking is only allowed in the designated areas, under no circumstances is food to be consumed on the corridors or in the classrooms. Students found eating in undesignated areas may have their food confiscated.

Smoking is forbidden by law in all buildings. Smoking is also forbidden on school property and in the vicinity of the college or whenever boys are together as a recognisable St. Michael's group.

6. Alcohol

No student is allowed to bring alcohol on to the grounds of St. Michael's. Students are not permitted to attend any school activity while under the influence of alcohol. Students who do so will face severe sanctions in accordance with the school's Code of Discipline.

7. Sports Supplements

Use of any substance or stimulant that poses a risk to the health of any student contravenes the school's Code of Behaviour. The College supports the IRFU Guidelines on sport supplements and young players. See www.irishrugby.ie

Students who wish to leave the College during the day must report to their appropriate Year Head or to the Deputy Principal. 13. Mobile Phone Policy

Mobile phones have become a powerful source of communication and learning. While restrictions to their use must apply in a variety of circumstances – meetings, classrooms, assemblies etc. Teachers may encourage the appropriate use of mobile phones in pursuit of learning, in classrooms and other learning settings within the school.

Restrictions on the use of Mobile Phones

Where students bring a mobile phone to school, the phone must be switched off during class times, unless otherwise directed by teachers. The phone may be used during breaks (10.45 and to 11.00 am and 1.00 pm to 1.35pm).

If a phone rings or makes the sound that a message has just been received, then the phone may be confiscated. Any confiscated phone should be given to the relevant Year Head.

If a student is using a phone without permission in class, for any reason, the phone may be confiscated and given to the Year Head, who will have the discretion to hold the phone for up to one week. Parents / Guardians will be informed of the incident and a date for return of the phone will be agreed.

No photographs or recording, either video or audio can be made on the phone while on the school premises without the school permission. Using a phone in such a way can seriously infringe on people's privacy and rights and contravenes data protection law.

Incidents where students use a mobile phone to bully others by sending offensive message or calls, or indeed interfering with another student's phone settings (also an invasion of a student's privacy) will be investigated under the School's Anti-Bullying policy. It should be noted that it is a criminal offence to use a mobile phone to menace, harass or offend another person.

15. Code of Conduct for attending Cup Matches

- All students must be on the stand
- All instructions given by both staff and cheer leaders must be followed.
- Under no circumstances should pushing and shoving take place, so as to avoid serious injury to any students. Cheering should always be supportive and respectful.
- Strict silence should be observed while all kicks are being taken by both teams. Injury to an opposition player should not be a cause for celebration.
- No student is to go on the pitch after any Cup Match.

Any pupil who is in breach of the above guidelines will be firstly asked to leave the grounds, before it is then dealt with as a disciplinary matter on return to the school.

The normal Code of Behaviour applies to all students travelling to the game, attending the game and travelling from the game.

16. Responding to inappropriate behaviour

Stage One:

The classroom teacher is responsible for dealing with issues at Stage One. The following options are available:

- Reprimanding the student
- Communicating with home
- Assigning extra written work
- Administering weekday detention.

The teacher has recourse to the issuing of a discipline slip (or email to the Year Head) for any of the following breaches of school rules:

- Not wearing full school uniform
- Eating on corridors or in class or other unauthorised areas (food may be confiscated by teachers)
- Punctuality problems, unauthorised use of Mobile Phone in class.
- No homework
- No homework journal
- Misconduct in class

Any three discipline slips (or emails to the Year Head) in one week merits Saturday detention. Any five discipline slips in one term will also merit Saturday detention. Parents will be notified where this occurs.

Stage Two:

In incidence where the class teacher and Year Head deem that more serious action is required the following additional sanctions are available to the Year Head:

- Placing the student on "Report" for a specific period
- Placing the student on Saturday morning detention
- Any other action deemed appropriate by the Year Head.

Parents are advised when above sanctions are being imposed.

Stage Three:

For further breach of school rules, the Year Head will report the student to the Deputy Principal. Parents will be required to meet with the Year Head and Deputy Principal where further sanctions can be imposed. Where students receive two detentions in one term, they will automatically proceed to Stage Four.

Stage Four:

In situations where extremely serious or persistent incidents continue, the Deputy Principal will refer the matter to the Principal or to the Discipline Committee (Principal, Deputy Principal and Year Head). The Principal may impose a suspension and inform the Board of Management of same. The Discipline Committee is a sub-committee of the Board of Management. The Committee through the Principal has the right to recommend to the Board of Management sanctions including expulsion.

Stage Five:

Upon referral, the Board will hear the case as presented by the Principal and the sanctions recommended. Fair and reasonable time will be given to parents and their son before being asked to appear before the Board. The Board reserves the right to recommend expulsion of a pupil in the interest of the health and safety of students and staff. Parents have the legal right under the 1998 Education Act to pursue a "Section 29" Appeal.

Depending on the seriousness of the breach, any one or more of the above stages may be bypassed by Senior Management, bringing a student directly to Stage Four or Five of the school's discipline procedure.
